DIPLOMA OF QUALIFICATION

Oruc İsmayilov

was a participant in "Reach the Goal!" The school of Sustainable Development Goals in October 2019 - February 2020 and successfully completed The Training Course.

"Reach the Goal!" The school of Sustainable Development Goals is implemented within the framework of the program of "Support to Civil Society" founded by the Ministry of Foreign Affairs of the Kingdom of the Netherlands and implemented by the Caucasus Research and Resource Center - Georgia and aimed to increase the awareness among young people on the Global Goals and support them to implement small initiatives on SDGs.

Oruc İsmayilov together with his team have completed project "Don't hug, feel me!" focused on SDG 3.

The overall training consisted of three main aspects and the curriculum focused on:

- Awareness of Sustainable Development Goals
- Increase Youth Participation in Civic Society
- Project Management and Evaluation
- Budget Management
- Volunteering and Opportunities
